

## Central Montana Jaycees Community Benefit Raffle

### **BACKGROUND:**

The Central Montana Jaycees is a leadership and civic organization for people between the ages of 18 and 40 that come together to do good for the communities we live in. The CMT Jaycees strive to bring good ideas and activities into our surrounding communities while having fun.

The CMT Jaycees Community Benefit Raffle is the organizations largest fundraising event of the year. Only 350 tickets are sold for an evening out including dinner and drinks, and a chance to win one of many fantastic prizes. The proceeds of this event benefit over 30 youth organizations in Central MT each year.

**Please read the instructions below before filling out the following CBR Grant Application.**

### **APPLYING FOR THE CBR GRANT:**

The Jaycees Community Benefit Raffle grant is given to youth organizations located in Lewistown, Montana and the surrounding areas. Projects/programs that will directly benefit local youth are eligible.

Past projects awarded include: purchasing equipment for local organizations such as soccer goals and hockey nets, new playground equipment, bus passes for student trips, supplies for afterschool programs, and much more.

The Jaycees CBR grant does not grant funds to individuals or political organizations.

Please note that the more information and explanation provided, the better the Jaycees will understand the project and the more likely funding will be awarded.

We discourage applications requesting funds for administrative expenses. Examples: utilities, insurance, etc. Please apply for projects/programs that directly benefit area youth.

### **Incomplete applications will not be considered.**
